

Attending: Jonah Magar, Susan Kendall, Mike Unsworth, Aaron Tomak

- I. Approval of March 25, 2014, minutes--done
- II. Earth Day Recap—Things seemed to have gone well
- III. Accurate signage for staff area recycling containers—Aaron volunteered to check both staff & public areas
- IV. Common recycling questions from staff and possible guide to aid in answering them—We decided that this was a good idea. Implementation will be deferred to next meeting
- V. Bicycle procedures-- deferred to next meeting
- VI. Green Certification:
 - A. Certificates-- deferred to next meeting
 - B. Decals:
 1. Where should they be displayed--Copy Center & both entrances
 2. How to obtain permission --Jonah will contact Jim Hensley
- VII. Presentation of energy use infographic designed by Jonah –The data provided by the Sustainability Office was not helpful for this project
- VIII. Ecogram—Jonah will draft a message on quick energy savings reminders
